

## Questions for Caregiver Discussion

Print out and cut the questions into strips. Place the strips in a bowl or face down on the table for caregivers to take. Have caregivers volunteer to read their question and start the discussion.

How can we teach children their address and phone number?  
How can we teach them with whom it is safe to share this information?

Have you discussed with your child who it is okay to get in a car with or pick them up from school?

How can we teach children about the safest route to school?  
(Using crosswalks, crossing guards, classroom monitors).

Do you have an after-school routine? What are some of your concerns?

How do you speak to your child about their personal safety?
